SUPPLY CHAIN INNOVATIONS 2016

PROGRAMMA

SUPPLY CHAIN INNOVATIONS 2016

Donderdag 17 maart 2016 - Antwerp Expo

Supply Chain Metrics

New Collaborative Models

Performance Management - Proces Optimalisering -
Warehouse Management - Supply Chain Tax & Customs
- Transport & Distribution Management - E-fulfillment -
Manufacturing Execution Systems - Quick Response
Manufacturing - Forecasting, Planning & Inventory
Management - Sustainability - Industrie 4.0

40 sessies over alle innovatieve supply chain aspecten

50 aanbieders van innovatieve oplossingen

100 kansen om te netwerken en kennis uit te wisselen

VALUE
CHAIN

uw partner in waarde toevoegende informatie

3 - 4

Hoe innoveert (u) grondig uw supply chain? - Het Integrale Logistieke Concept als 'kookboek' voor uw nieuwe logistiek.
Hessel Visser, Partner Cologic Process Improvement / Lecturer NCOI, Mikrocentrum, Nyenrode

08.45u - 09.25u

08.45u - 09.25u

4

The new era of industrial performance management
Simon Jacobson, Research VP Manufacturing operations - Gartner

3

The 4A's of sustainable logistics: innovative concepts and challenges
Prof. Dr. Cathy Macharis - Vrije Universiteit Brussel

09.30u - 10.10u

10.15u
tot
10.55u

Supply Chain Metrics	New Collaborative Models	Performance Management	Proces Optimalisering	Transport & Distribution	Warehouse Management	Warehousing & Production
Balancing service, cost and cash. The Supply Chain Triangle Prof. dr. Bram Desmet MÖBIUS	Nieuwe collaboratieve modellen creëren nieuwe perspectieven en opportuniteiten Tom De Visscher - PwC	CASE Bombardier Roadmap to Quality on Time - a global performance improvement programme Tilman Kloppe - Bombardier	Process BI op basis van Process Mining als enorme versneller van procesverbetering Rob van Agteren - Ackinas	CASE Knauf Isolava Automatische transporttoewijzing en time slot management Antoon Desmet - Knauf Isolava	Integrale aansturing van voorraad- en goederenstromen voor realiseren van de bedrijfsstrategie Robert van Ree - St. Onge Cy	CASE Soudal Hoe Skyfall Soudal's productiecapaciteit verdubbelt Peter Bruggeman - Soudal
